**SUMMARY OF CHANGES**

## **EDUCATIONAL GOALS**

A1000 Area Objective: Apply aerospace power capabilities and officership principles to warfighting.

A1800 Phase Objective: Value officership principles and heritage.

### **A1830 - PATRIOT**

**Lesson Objective 1:** Value the importance of dedication to the United States, the Air Force, and the Profession of Arms.

#### **Samples of Behavior:**

(L) 1.1 - Discuss dedication to the United States, the Air Force, and the Profession of Arms with others.

(L) 1.2 - Share beliefs concerning dedication to the United States, the Air Force, and the Profession of Arms with others.

**Lesson Description:** This faculty lecture explores what it means to be an American as well as a member of the United States Armed Forces. The multi-media presentation inspires students to renew their sense of pride and patriotism.

**Prerequisites:** None

**Preparation:** None

**Optional:** N/A

**Rationale/Linkage:** This lecture provides personal examples of the officership principles discussed in A1820, Profession of Arms; A1840, “What Now, Lieutenant?” and A1850, Distinguished Speaker Series: Officership. Students can use these examples as reference points to illustrate how officership principles apply to warfighting. This lecture also inspires students to continue their life-long learning in the Profession of Arms.
